Approval is hereby requested to install an electric vehicle charger as described below and on additional attached pages if necessary:

In order to process this application, the following items must be attached:

1. A written statement from the qualified and licensed electrical company that will install the charger certifying that the current service panel can handle the additional load required to service the charging station or the need to upgrade to a panel with enough capacity.
2. Copy of valid license of the Contractor along with a certificate of liability insurance in the amount of \$1,000,000 naming Doral Colony HOA as an additional insured.
3. Sketch of Boundary Survey or drawing showing the proposed location for the installation of the charger.
4. Picture, size and color of charger and other pertinent data.

Incomplete applications will not be processed.

I understand that approval is subject to the following:

1. Copy of the City of Doral permit must be provided to the Association before work begins.
2. Access to areas of work will only be permitted through my property and I am responsible for any damage done to streetlights, common elements, or other homes during construction.
3. If any digging will be necessary, yard must be marked for the location of underground lines, pipes, and cables. Please contact Sunshine 811 by dialing "811" or 800-432-4770 or online www.sunshine811.com.
4. No heavy equipment is allowed to circulate the roads of the community unless it is on rubber wheels.

5. Vehicles cannot block traffic at any time, nor obstruct traffic in any way.
6. Any changes to approved plans will require Association approval.
7. Construction hours are:
Weekdays: from 8:00 am to 6:00 pm
Saturdays: from 9:00 am to 6:00 pm
Sundays and Holidays: Not permitted at all
8. The streets around the property must be clean and clear of any debris.
9. Construction materials and debris must be kept out of sight.
10. This approval is valid for 90 days. If work does not commence within 90 days from approval, the request must be resubmitted.
11. Work shall be completed within 60 days of commencement. Homeowner must provide written notice to the Association within 10 days upon completion of the Work so that an inspection may be conducted by the Association.
